A BIG thank you to everybody who attended and presented information during the last round of Safety Officer Network Meetings (SONM)! We appreciate you for making the meetings a success!

Mark your calendars for the next round of meetings. Please share these dates with others.

Safety Officer Network Meetings are designed to assist you with improving your knowledge, skills, and abilities while connecting you to other safety personnel throughout the Commonwealth. During the next round of meetings we will be highlighting OSHA's Top Ten Violations of 2019. The facilitator-led meeting will give attendees the opportunity to share their knowledge and experience with others. The list of Top Ten Violations will be emailed to registered participants.
