

SAFETY OFFICER NETWORKING MEETINGS

Heat Management

In this round of Safety Officer Networking Meetings, we will update you on new information, briefly discuss heat-related injuries, and turn the meeting over to you, the participants, to network with your peers.

Members of the Risk Management Team will be available to facilitate the conversation.

So, register and bring your questions and solutions so that others may benefit from your experience.

Questions can be directed to one of the Risk Management Team members on the right.

All meetings run from 9 AM—12 PM.

To register, scan or click the QR code.
