1. Go to froi.sedgwick.com using a computer or mobile device web browser.

2. Are you an account holding Approver? If Yes, go to Step 3. If you do not have an account, you may start a report that will be reviewed by the employer’s registered Approver(s).

Click: Continue without Logging in

3. Approver: Enter your user name & password.

4. Approvers for the employer location chosen will automatically receive submission confirmation emails. These addresses are visible at the top of the form. Below this is a space you may add additional email addresses to receive the submission emails. E.g.: Forms can be sent to anonymous user or injured worker as confirmation of claim submission.

5. Under the Employer area, scroll down the list and pick your Agency, Sub-Agency, Dept.

6. Employer Case Number: If you have an internal employer tracking number for the accident put it here.

7. Location: If the incident occurred at a location different from the official employer’s address, you may enter it here.

8. Complete the personal information for the injured party in this section.

9. Employee ID: Place employee ID used by your Agency/Employer’s personnel management system here.

10. Record in detail, the time and place of the accident and injury reporting.

11. Describe in detail the accident being reported.

12. Click the Submit button. A small pop up window will display “Success!” or “Warning” if there are fields that need correction.

13. Click “OK” to acknowledge. Emails will be sent to Approvers and any address in the 1st field.

14. PDF copies of the form can be downloaded via the link at the bottom of the page.

15. The following items must be completed before claim creation at final submission:
